MULTIDUCT™ 6 WAY DOUBLE SPIGOT

Product Code: 50201739

MULTIduct[™] is a durable, lightweight and structural multiple duct cable protection system offering a modern alternative to traditional cable ducting systems. 6 way double spigot is used in cases where the existing duct position is unknown and therefore allows seamless integration.

MATERIA

High Density Polyethylene (HDPE)

SIZE

135mm (L) x 226mm (W) x 336mm (D)

LOAD RATING

Features & benefits

Lightweight HDPE

Can be transported by a ute and assembled by a single person without the need of heavy lifting machinery.

Quick assembly

Each unit can be installed in under one minute

Application

Six slots for six applications

Full specifications

Material	Manufactured from high density polyethylene (HDPE), MULTIduct™ offers a lightweight, high strength to weight unit. With parts weighing below 20kg MULTIduct™ offers significant health and
	safety advantages permitting a single person lift
	and install.

Load Rating Infrastructure Products Australia¹ MULTIduct™

manufactured to a Class B load rating (ultimate limit state design load of 10kN) under the Australian Standard AS/NZ 3996

How it works Interlocking male and female clips make

installation process seem like a puzzle. Installation is as easy as lining the clips together and clicking the duct into place. Interior of the ducts is seamless and eliminates disengagement during

cable pulling.
