MULTIDUCT™ ORANGE UNIT 4 WAY

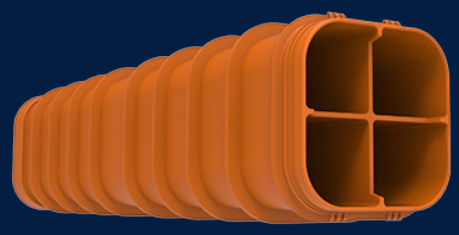

Product Code: 50201236

This duct was designed with four slots to carry four different electrical wires simultaneously. It can be easily assembled and run in between Stakkabox pits.

MATERIAL
High Density Polyethylene (HDPE)

SIZE
(L) x (W) x (D)

LOAD RATING
B

Features & benefits

Lightweight

Weight under 14kgs

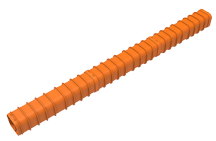

Quick Assembly with Secure One Click Connection System

Takes a few minutes to install, no tools are required

Applications

Four slots for four applications

Full specifications

Material	Manufactured from high density polyethylene (HDPE), MULTIduct™ offers a lightweight, high strength to weight unit. With parts weighing below 20kg MULTIduct™ offers significant health and safety advantages permitting a single person lift and install.
Load Rating	Infrastructure Products Australia' MULTIduct™ manufactured to a Class B load rating (ultimate limit state design load of 10kN) under the Australian Standard AS/NZ 3996
How it works	Interlocking male and female clips makes installation process seem like a puzzle. Installation is as easy as lining the clips together and clicking the duct into place. Interior of the ducts is seamless and eliminates disengagement during cable pulling.
